Listing / Ratings

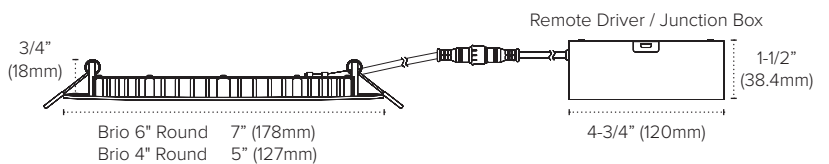

BRIO Disc Light

Resolve clearance issues with the new BRIO Disc Light which measures only 7/8" high. Brios install easily and offer efficiency with value. They are suitable for a variety of applications. Choose from 4" and 6" versions. Each includes a remote driver/hardwire box with tool-free access and 1/2" knockouts, a cut-out template, and spring loaded clips. To resolve power source proximity issues or wiring box obstacles, use interconnecting jumper cables to adding 8 feet of extension.
