

PROJECT: TYPE:

LOCATION: CAT:

Description

The Premium 45 extrusion is a practical and versatile profile for corners and can be sealed for outdoor use if needed (for use indoors otherwise)

Features

- Extruded double anodized aluminum construction
- Use tape light, end caps, and lens to create a complete fixture (tape light and accessories sold separately)

Mounting

Surface mount via mounting clips, construction adhesive, or 3M® double-sided adhesive tape; Requires 3/4" clearance along each side of a 90° corner

Applications

Cabinets, display cases, window framing, and even stairs or steps

Warranty

3 years
